Beyond Textiles

The commodities of Pakistan & Bangladesh, sourced by Leap Sourcing.

Pakistan's export story reaches well past the loom.

From basmati and non-basmati rice
to kinnow, citrus and mangoes.
From onions and potatoes
to premium dry fruits.
From seafood to halal meat.
Protein that the world relies on!

Crafted with skill, powered by industry.

From leather goods to world-class sports gear, from precision instruments to everyday essentials. Pakistan's factories blend heritage craftsmanship with modern capability.

Leather goods. Sports goods from Sialkot.
Surgical & dental instruments. Cutlery.
Pharmaceuticals. Chemicals. Cement.
Sugar. Petroleum products.

Traditions rooted in the mountains, visions reaching the future.

Hand-knotted carpets and timeless handicrafts
Crafted furniture for global living
Himalayan pink salt, marble and granite
Rich minerals powering industry
A legacy of quality, built to last

Pakistan's future is digital.

A fast-growing IT and
software services sector
delivering global solutions.
